

Website Health Resource & Pet Portals

As we move on your pet's journey to wellness it is important to fully understand the nature of your pet's health. The Countryside Animal Clinic website (www.countrysideanimalc.com) is the key for you to make better decisions about your pet's health and well-being.

Pet Portals – Your personal portal to your pet's records any time, from any place with Internet access. It's updated each business day, so the information displayed on your pet is always current.

Each time you sign in to your Pet Portal from you can:

- View your pet's vaccinations
- Update your account
- Request appointments
- Create medication e-mail reminders
- Review previous health services and medication history
- Use Pet Mail for non-urgent communication

Professional Grooming

We have professional groomers that have many years of experience and take pride in the personal attention that they give to your dog or cat from start to finish. Our groomers are pleased to offer a variety of services including flea/tick treatments and de-shedding treatments. Our exclusive hydro-system bath includes luxury shampoo and conditioner, drying, nail trim, ear cleaning, anal expression, thorough brushing and breed trim to pamper your pet.

Boarding Admission Policies

Please allow 15-20 minutes to admit your best friend to our Resort. Telling us when you plan to arrive will save you time checking in. Our Animal Care Specialist or Veterinary Nurse will assist you in completing necessary paperwork needed to follow all of your instructions and insure your pet's care and safety. We are happy to contact your previous veterinarian for medical records.

Our Pet Resort is veterinary supervised 7 days a week, and staffed by highly trained Animal Care Specialists to offer you peace of mind and assurance that if something happens while you are away, we know what to do. Each Specialist undergoes comprehensive training program in order to provide the highest level of care for your pets. We pay particular attention to the individual needs, preferences, personalities and conditions of your pets, and care for your pets as we would our own.

Complimentary Exam

A complimentary exam by a Veterinary Nurse is included with Pet Resort stays. Exams include an overview of your pet's ears, eyes, skin, mouth, nose, weight, coat, and body condition. If anything of concern is found, it will be referred to one of our veterinarians for further review. Veterinarian services, beyond examining a specific concern found will be charged at usual rates and discussed with you in advance unless you instruct us otherwise.

Complimentary Baths

Pets who stay with us more than 7 days will receive a cleansing bath before going home.

Our Dog Suites

Canine guests enjoy individual spacious indoor and outdoor accommodations. The well-lighted environment is appropriately ventilated and maintained at a comfortable temperature. Each suite is regularly provided with fresh water and properly cleaned and sanitized. Your "best friend" is continually monitored throughout the day to ensure his/her health and happiness.

*Not just another boarding kennel...
but the best in vacation lodging
for your family pet.*

Our Cat Suites

Cats love to spend time observing others. Feline guests enjoy spacious and comfortable feline living. All our cat suites are well ventilated and your pet is continually monitored throughout the day to ensure his/her health and happiness. Each is provided with a cozy cat mat for comfort and naturally each suite is always maintained with proper fresh water and sanitation.
