We hope that you have simply forgotten the healthy pet actions that are now **PAST DUE** for your pet. Occasionally reminders get lost in the mail or possibly you have moved, changed services, no longer have a pet or our medical history does not correspond to your pet's current health status.

Please call us to schedule an appointment at 678-1234 or let us know any status change so that we may update our medical records.

**Thank You!**
