AAHA Accreditation

Park Cities Animal Hospital is an accredited member of the **American Animal Hospital Association** (AAHA). AAHA is recognized as the world's leading association of small animal practitioners. To achieve this distinction, our hospital passes comprehensive inspections of our facilities, medical equipment, veterinary practice, and management. In order to maintain our accreditation, we must continue to meet AAHA's rigid standards. Only 15% of all small animal hospitals qualify to be a member.
