

# Brochure Color Selection Guide

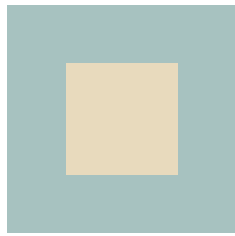

This guide is designed to serve as a design resource for your brochure. Just advise us which color combination appeals to you and we will work those colors into your brochure. Your color selection is not limited to these choices. There are thousands of color combinations available. If you have an existing practice color theme or any particular color theme in mind, just let us know and we will be happy to work those colors into your brochure.

# Color is a powerful form of communication —

Of all forms of non-verbal communication, color is the most instantaneous method of conveying your message. In the marketplace color is often called the "silent salesperson".
